

COVID 19 WORKING POLICY

1. Personnel will check their temperature on day of site visit.
2. They will advise our office if they have had any contact with anyone unwell in last 14 days.
3. Arrive either separately or with regular working partner, in well ventilated vehicle.
4. Wear PPE where 2 Mt social distancing is not possible. Including glasses, masks, gloves & hand sanitisers.
5. Wear overshoes on site.
6. Wash hands on arrival, regularly whilst on site and on leaving, using own soap dispenser and paper towels.
7. Using antibacterial wipes on taps, handles & locks before and after use and on leaving.
8. No handshakes.
9. No refreshments other than their own.
10. Remove all waste at the end of the day.
11. People on site limited to two at any one time.
12. We can discuss which entrance you would prefer us to use for access and which areas of your property to work within.
